Kitchen Faucets / Accessories / Strainers / Drinking Faucets

# OUR STORY

---

## Starting from Scratch

The story began in the hometown of faucets, Dingfanpo of Lukang. a young graduate who just entered the workforce, rode a second-hand bike and stood in cold weather to fix and promote faucets from door to door, which build a strong foundation for SHENG TAI in plumbing hardware business, and later became well-known in the international market as the brand JUSTIME.

## OEM to OBM

Dingfanpo Area was celebrated for the excellent capacity of OEM products of worldwide famous plumbing brands, and SHENG TAI is the leader of these OEM factories. SHENG TAI realized that we must create our own brand; therefore, we invested in lots of R&D resources to establish the brand "JUSTIME", which presented the capability in designing and skillful technique of Taiwan to the world, and also become an international brand by winning a great number of international designing awards.

## JUSTIME | Just Life

Life should be relaxing, and filled with aesthetics as well. We provide excellent services for our customers, in order to make their lives easier and more convenient. Our products not only offer perfect and user-friendly functionality, but also break the barrier with more diverse and creative designs to endow life appliances with fashionable beauty and integrate with the imagery of home.

## Global Service System

Plumbing fittings and faucets require a team of professional customer service; therefore, we established an agent network to provide high-quality products and services in the global market. Through the local distribution systems, JUSTIME provides the immediate and customized services to make products suitable for personal requirements.

Filtered Water Kitchen Faucet  
(Lead-Free Brass)

Classik Collection has created the classic style across generations with precise design and modern technologies. The elegant shapes and graceful details remove the complication of traditional classic style, but keep the artistic attainments. Combined with modern technologies, Classik Series is designed to satisfy the fine art requests of present generation.
