Wall-Hung Toilet W/Toilet Seat & Cover 6371-A0-8000

- 1. Weigh Resistance: Installation components are corrosion resistant and are able to withstand 400kg of weight resistance.
- 2. Rimless design without joint is easy to clean and maintain.
- 3. Toilet seat cover is equipped with damping technology for closing quietly and extending lifespan.
- 4. With supreme glaze coating applied to surface, it's able to reduce grime & lime scale accumulation, enabling residues to flow away easier.
- 5.High-efficiency Vortex Flush system releases a powerful water stream and creates a whirlpool effect which effectively removes waste and cleans the surface.
