

Freestand Artificial Stone Basin 6510-U9-8000

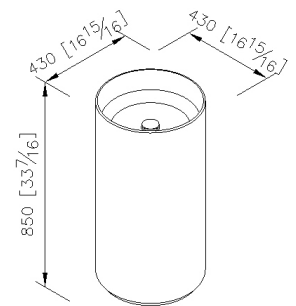

INTRODUCTION:

Chapter Basin design has been inspired by Asian tea ware, the straight body, smooth round edge, and bottom ring foot designs perfectly represent the image of Asian tea cup, furthermore, the shape design also make it be the absolute combination for the Chapter Freestanding Basin Faucet. Basin has been made by artificial stone material with vacuum pressurized process and integrated shape design to make it be non-pore and easy to maintain. The material could against the corrosion of kinds of dirt, it is easy to clean with wet cloth and few diluted alkaline cleaner, or use the scrubber to remove the scratches if necessary. There is no surface treatment, so the surface will not turn into yellow color after long time using.

DESCRIPTION:

1. Material: Artificial Stone.
2. Size: 850x430x430mm.

unit:mm[inch]

Certification:

Fixing Kits:

- 1.
